F5

PRODUCT NAME: F5 Kitchen Degreaser

PRODUCT INFORMATION:

F5 Kitchen Degreaser is a non-caustic defatting agent. An all-purpose cleaner that is ideal for removing tough stains on ovens, hotplates, benches, floors and tiles.

DIRECTIONS FOR USE:

Floors

Sweep loose soils away with a broom or brush. Diluted 20:1 in warm water, apply by brush or mop and allow to remain on surface for 5-10 minutes. Mop in a figure of eight, should you have stubborn mark press mop down or use a deck scrubber to agitate. Rinse and mop out in clean water. Wring out excess water and mop up cleaning solution and dirt. Important to regularly change the cleaning solution and rinse water. Replace mops often to deliver best results.

Oven & Hot Plates: Warm the oven or hot plate, then switch off. Spray sides of the oven first then top then bottom. Leave for 5-10 minutes on warm surface or 20 minutes on cold surfaces. Wipe off with a clean damp cloth, sponge, or paper towels.

TECHNICAL DATA:

Do Not spray on electrical connections.
For heavier soils a more concentrated solution is needed and longer contact time.

For larger areas suggestions to incorporate a hot water hose and gun connected to a venturi system.

Issue date: December 2020
